# PUSHING PERFORMANCE TO NEW HEIGHTS

## YARN EXPO LEADS THE WAY TO CHINA MARKET

**Tung Ho Textile** is a leading manufacturer of **functional spun yarn** in Taiwan China, and has been in the spinning business for more than six decades. Tung Ho's **advanced and processing technologies** create excellent product characteristics such as **low hairiness, anti-pilling, soft feeling, multi-colour and multi-function**. Focused on bringing **game-changing innovations**, Tung Ho provides products that **push performance to new heights**.

At Yarn Expo Autumn 2019, Tung Ho will highlight their **SIRO series-Two rovings**, which are fed to drafting at the same time and twisted together as a double yarn. The siro spun yarn is **clean, less hairy, have good uniformity, and soft**.

*“Yarn Expo is one of the leading yarn exhibition in the world.”*

Hoping to develop within the **international market**, especially **China** and **Southeast Asia**, Tung Ho joined Yarn Expo to meet knitted fabrics manufacturers and import & export corporations.
