# ORGANIC, BCI, RECYCLED, AND MANY MORE...

**HT Barma Ltd** will be showcasing their full range of fibres, yarns and fabrics at Yarn Expo Autumn 2019.

**HT Barma Ltd** was established in 1946 in Hong Kong China, and has been dealing with **fibres, yarns and fabrics** for over 70 years. The company is a boutique yarn-house that caters each product to the need of the individual buyer. With offices in **India and Pakistan**, quality assurance is guaranteed, delivering a consistent product to satisfy each buyer's needs. Being a globally positioned trading company, **HT Barma Ltd** is able to provide accurate market information and useful insight, vital to a successful commodity business.

HT Barma Ltd will feature a range of fibres (**cotton, polyester**), yarns (**100% cotton, CVC, TC, 100% polyester, compact, siro, elitetwist, TFO, slubs, stretch, Pima, organic, BCI, recycled**), fabric (**knits, wovens**), and home textiles (**bedsheets, towels**).

*“The goal is to look for companies and representatives, and enter into long-term partnerships to promote our products in different regions of China.”*

Being aware of the **huge potential of textiles in China**, HT Barma Ltd has chosen to exhibit in **Yarn Expo Autumn 2019** to expand a presence in **China, the fastest growing textiles market in the world**. The company hopes to use the event as a meeting place for existing buyers and suppliers, while also tapping any **new opportunities arising**.
